

Trustee Recruitment (3 posts)

Being a Trustee gives you an opportunity to use your skills, experience and knowledge for the benefit of charity and your community whilst offering you ways to develop new skills.

The Pioneering Care Partnership (PCP) is an award winning North East Charity. Established in 1998 with a focus on health improvement and reducing health inequalities through building capacity and life chances with disadvantaged communities, our mission is '**Health, Well-being and Learning for All**'. We are currently seeking 3 motivated and focused individuals to join our effective Trustee Board.

Additional Trustees will work with the Chair of Trustees, the Chief Executive and Senior Management Team. We are looking for passionate individuals to support the development of the organisation through an exciting period of change and development as we approach our 20th anniversary.

You may have a background in the charity sector or it might be new to you; ultimately we need people with a willingness learn, the ability to work as part of a team and vision to oversee and encourage the future development of PCP. Trustees must work with integrity, objectivity and openness and ideally candidates will be skilled or knowledgeable in one or more of the following disciplines:

- Disability Access
- Health & Safety
- Information Governance
- Learning or Education
- Marketing & HR
- Mental Health
- Social Care

We expect our Trustees to have a strong commitment to the organisation. You will be expected to regularly attend meetings, and to be able to contribute positively and constructively to discussions. Training will be provided to ensure understanding of the Trustee role along with an induction on the purpose, vision and values of PCP.

If you would like an informal chat please contact Carol Gaskarth, Chief Executive on 01325 321234 or Melanie Fordham, PCP Chairperson on 01740 644849.
