

How does it work?

Connect
Contact
sccc@pcp.uk.net
to become a
champion.

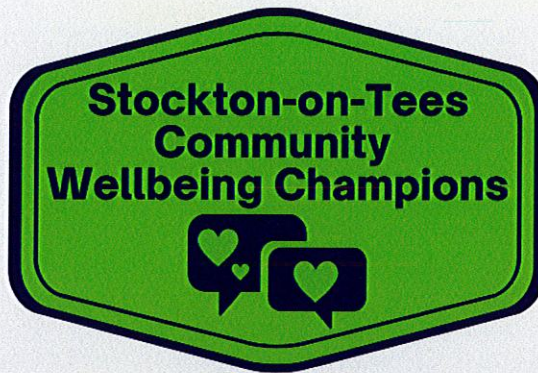

Work
Key messages are
distributed to
Champions via various
methods.

Champions can share
these messages with their
friends, family and
community.

Change
Questions and
issues are fed back
to the CWC team
who work with
Public Health to
**seek clarity and
resolutions.**

Who are we?

The Community Wellbeing Champion network has been established to **empower** and **support** the residents of Stockton-on-Tees to stay up to date with key Public Health issues.

The network helps to dispel **misinformation, provide support** and **identify barriers** that face our communities.

As a Wellbeing Champion you'll be able to share the latest information from Public Health Stockton-on-Tees with your **friends, family and community.**

Contact sccc@pcp.uk.net for more information, or follow us on social media:
