

Happiness Hubs

The Happiness Hubs grant scheme spreads community cheer and support in County Durham and Darlington to community organisations, groups and projects.

To apply, organisations need to offer a safe space and activity for local people to meet, make friends, talk and feel supported, with the ultimate goal to support people's mental health and help communities live happier and healthier lives!

To see if our grant scheme is live and if you're eligible, check out our webpage for full information on how to apply.
