

Be a champion for people with a learning disability and/or autism

To make sure our study best describes the community's experience and needs, we are looking for Learning Disability and/or Autism Champions to join our working group. We will:

- ✓ Give you training and a certificate
- ✓ Pay for any travel you need to do for the study
- ✓ Present you with a certificate for being a Champion

Before you decide, we encourage you to discuss this with an adult you trust.
