

Do you want to make a difference?

Are you passionate about helping people?

Want to be part of a supportive friendly team?

We're Recruiting:

Community Resilience Worker

Located: Homeworking with significant outreach across Co. Durham

Hours: 37 hours per week (full time, part time, reduced hours and flexible working considered)

Salary: PCP Band 5 £21,136 per annum

Term: Fixed until 31st March 2023

Holidays: 27 days holidays per annum

Are you community focused? We have three positions available to join a project being delivered across County Durham. The aim is to support those emotionally impacted by Covid-19, including those who have suffered from Covid-19, been isolated, those who have been bereaved and many more.

You will be responsible for delivering support and guidance through services and projects, whilst exploring outreach work to maximise impact of those in need. Confidence to work with people across all levels in a sympathetic manner is crucial to this role. You must have a solution focused attitude and have a proactive and well researched approach to signposting clients to services and support relevant to them.

Proven experience of working with people and impacted communities is key, with a natural awareness of Covid-19 and its affects on mental health and wellbeing. You will be able to work under pressure and maintain the delivery of support and services to clients, with an understanding knowledge of how to process sensitive information and data. Open to applicants for full or part time working, reduced hours or flexible working.

Closing Date: Midnight, Sunday 6th February 2022
